

New Institutions for Innovation Finance: Global Angels and Crowdfunding

[Back to video library](#) [1]

Speaker:	Christian Catalini
Date:	April 17, 2014
Event:	Innovation Policy Course
Running Time:	1 hour and 37 minutes

SUMMARY

This presentation provides a broad overview of new capital markets to finance innovation, and making comparison with traditional sources of finance. Professor Christian Catalini focuses on emerging platforms for crowdfunding, global angel networks, and analyze the impact of institutions and policies to encourage such investments. Finally, Catalini provides ideas for measurement of crowdfunding initiatives and a toolkit for policymakers to develop applications in emerging economies.
