If Technology Has Arrived Everywhere, Why has Income Diverged?

Speaker: Diego Comin
Date: April 14, 2014
Event: Innovation for Growth and Shared Prosperity
Running Time: 22 minutes

SUMMARY

Technology diffusion can help foster economic growth, however with varying success across countries. In this presentation, Diego Comin reviews patterns of technology diffusion in developed and developing countries, analyzes the causes for converging adoption lags, and discusses the great divergence in productivity. He then provides policy advice on how to remove barriers to technology adoption.
